FEATURED SPEAKER
Dr. Shirley Brown

www.BOFCI-Raleigh.com

Dr. Shirley Robinson Brown is the BOFCI-Raleigh center Director.

Dr. Shirley received her undergraduate degree in Medical Technology and has dedicated over thirty years of service to that profession. During these years, Dr. Brown developed phlebotomy training programs for both hospitals and colleges, and served in implementing new computer programs designed to make departments within hospitals run more efficiently. She has served on the Advisory Board for Allied Health of Wake and Durham Technical Colleges, is nationally certified as a phlebotomist through the American Society of Clinical Pathologists, and is a registered medical technician.

Highly organized and enthusiastic, Dr. Brown has excelled in positions of leadership as manager and administrator throughout her career. She readily embraces challenges and can skillfully turn very little into exceptional projects that serve others well. Dr. Brown is well known for her excellence and ability to get the job done!
